

# IFRS 9 FOR BANKS

*ONLINE TRAINING*  
*Date: 03 & 04 MARCH 2021*

## OBJECTIVES

After the training the participant shall be able to:

- identify recent changes and ongoing projects;
- evaluate the impacts;
- prepare for changes by anticipating them.

## METHODOLOGY

Interaction is encouraged, even on online format. Therefore, we recommend participants to have their cameras on and a perfectly working microphone. We also recommend to download the Webex app in your device to allow all functions to work properly. Muting when not speaking is encouraged.

## TARGET AUDIENCE

Anyone interested in the evolution of IFRS accounting standards for banks.

## LANGUAGE

A good command of English is required.

## LECTURER

**Mr. Robert Hall** is an independent Consultant to banks with 30 years banking experience as auditor, banker and consultant. He has performed multiple IFRS adoptions in various countries and has been involved with Tier 1 banks and various central banks in both initial adoption as well as subsequent amendments (IAS39, IFRS9, etc.) and new pronouncement implementation (IFRS 9, IFRS 13, IFRS 15, etc.). A hands-on consultant who deals not only with policy but in actual technical accounting and software design.
